## County of San Luis Obispo

TO: Board of Supervisors  
FROM: Public Works  
Jennifer Colvard, Accountant  
VIA: Will Clemens, Department Administrator  
DATE: 6/16/2015

SUBJECT: Submittal of a resolution to levy assessments for cost of San Luis Obispo County Flood Control and Water Conservation District Zone 18 (Cambria West Village Area). District 2.

### **RECOMMENDATION**

It is recommended that the Board, acting as the Board of Supervisors for the San Luis Obispo County Flood Control and Water Conservation District:

1. Approve the attached resolution to levy assessments for cost of San Luis Obispo County Flood Control and Water Conservation District Zone 18 (Cambria West Village Area); and
2. Direct the Clerk to file the approved resolution with the Auditor/Controller/Treasurer/Tax Collector (ACTT) no later than August 10, 2015.

### **DISCUSSION**

The benefit assessment will fund a portion of the flood control operations and landscape maintenance in the West Village of Cambria. The proposed assessment will be levied against benefited parcels within the zone.

In accordance with Proposition 218, an assessment election was held on January 19, 1999, in which each property owner voted on authorizing the collection of this annual assessment. An 87% majority of the property owners voted to levy an annual assessment as per Exhibit "A" including an annual increase of 3% per year. Fiscal year 2015-16 is the eighth year this benefit assessment will be levied.

Each parcel receiving special benefit is proposed to be assessed their proportionate share of the annual cost of maintenance, approximately \$11,200 for 2015-16.

The benefit assessment is authorized per Section 13 of the San Luis Obispo County Flood Control and Water Conservation District Act. (Act 7205 of Deering's California Codes, Water – Uncodified).

## **OTHER AGENCY INVOLVEMENT/IMPACT**

Tax Collector collects the charges, Auditor/Controller/Treasurer/Tax Collector (ACTT) places the charges on the tax roll and County Counsel has approved the Resolution as to legal form and effect. The County Clerk will file the Resolution with the Auditor/Controller/Treasurer/Tax Collector.

## **FINANCIAL CONSIDERATIONS**

Section 13 of the San Luis Obispo County Flood Control Act allows for the recovery of costs associated with the maintenance and improvement of the subject drainage projects. This revenue (approximately \$11,200) is included in the proposed Flood Control Zone 18 budget for 2015-16, and represents approximately 73% of the funding for the district.

## **RESULTS**

Approximately \$11,200 will be added to the property tax bills for parcels within Flood Control Zone 18. See Resolution exhibit for amount per parcel. The revenue will be used to finance drainage services within the district. This is necessary for maintaining a desirable level of health and safety for the community and therefore maintains the quality of life for those in the district.
